Nov/Dec Holiday PRESCHOOLERS (K2) & PRIMARY (P1,P2) Head Start Bridging Programmes

The value-added head start programmes are meant not only to close the gaps between preschool K2 and primary P1,P2, but also cement the foundations to groom thinking child for the future judging on greater challenges and standards raised for primary educations nowadays.

The objective is to develop process skills, thinking habits through bridging strategies.

- Answer challenging questions **faster** with more time to attempt the rest and **check** answers
- Learn **tips, shortcuts and tricks** for selected **routine and non-routine** challenges
- Master **Think-Out-of-The-Box** and **Problem-Solving Skills**
- **Motivate** to **excel** in English, Chinese and Mathematics by broadening exposures laterally and vertically
- Offer our students an advantage **competitive edge** towards **2009** academic year.

The programmes develop pupils' writing, reading, speaking, listening, numeracy and mathematical reasoning skills, enhancing their overall language appreciation and mastery.
