

Mathematical Olympiad Camp

* Primary and Secondary Junior-Senior Section (P1-5; S1-4)

The one-day, hands-on camp is an intensive course to prepare students for various mathematical competitions. The objective is to develop higher order thinking skills through advanced problem solving activities.

- Answer challenging questions **faster** with more time to attempt the rest and **check** answers
- Learn **tips, shortcuts and tricks** for selected **non-routine** sums
- Master **Think-Out-of-The-Box** and **Heuristic Problem-Solving Skills**
- **Motivate** to **excel** in Maths by broadening horizons laterally and vertically

Camp Details

Date: 8th Sep 2010 (Wednesday)
